Community Limb Chipping Event Results

On Saturday June 22, 2019 the City rented a chipper for residents of Vader to bring their limb piles to get chipped. Public Works employee Jon Flatt and volunteer resident Rick Cruise, manned the chipping station from 10 am to 2 pm. Unfortunately the turn out was much less than expected with only 4 residents taking advantage of the event. With such a low turnout, Council will have to consider whether it is worth the cost and effort to hold this kind of event in the future. We may try the event again in the Fall and see if we get a better result. A great big thank you to John Flatt for working on a Saturday to help make the event happen & to all who assisted.

*Also a reminder that

Lewis County Transfer Station is offering a Free voucher - one per primary Residence through Sept 30, 2019 for any other items you may need to take.
go to: vouchers.lewiscountywa.gov to obtain your own voucher.
